WALKING ROUTE

Parking and FREE Shuttle Bus

Parking is available in the Visitor Centre Car Park at the top of the hill before entering New Lanark Village. A road closure beyond the Visitor Car Park down into the village of New Lanark will be in place for the health and safety of pedestrians and as such there will be no access to the village for any vehicles.

A FREE wheelchair accessible shuttle bus will be running from the **Lanark Bus Terminus** (at the turning circle between Morrisons and the Lanark Train Station), the **New Lanark Visitor Car Park** and into **New Lanark Village plus return route** from 6:00pm until 10:00pm. **Buses should be setting off approximately every 15-20 minutes.**

Walking

For those who are able and wish to do so, visitors can walk down the hill into the village from the main car park and walk back up. This is estimated to take 5-10 minutes to walk down and 10-15 minutes to walk back up. Please be aware that the path passes by steep edges, so children and dogs should be kept under close control.

Accessibility Information

Designated blue-badge parking will be available in the Visitor Centre car park at the top of the hill before entering the village. The accessible shuttle bus service will be picking up guests at this point and taking them down into the village.

The main projection area is accessible for wheelchair users and families with buggies. Event staff will be on hand to direct you during the event.

While we have done our best to ensure that the majority of the event can be enjoyed by all our visitors, as a heritage site accessibility to some areas may be difficult. If you have any questions or need assistance, please don't hesitate to contact New Lanark on 01555 661345 (Lines open 9am-5pm, Monday-Friday) or speak with one of our event staff on the night.
